Eduardo Gómez

Chairman

“We are self-demanding and this necessarily requires high levels of knowledge and experience. However, what really sets us apart is the combination of these qualities with distinctive service and all-round dedication. This approach gives the maximum value to all we do. We believe in the client-firm partnership.

A firm like ours is possible because it is based on collaboration, leadership, excellence, agility, respect and responsibility. These are the values all member firms of Grant Thornton share.”
